

COMPANY PROFILE

Occupational Hygiene | Health & Safety | Environmental

Environmental & Safety Specialist

IHI LTD is a dynamic and innovative firm offering best-in-market HS&E consulting services and equipment.

We provide our clients an all-in-one solution for Occupational Hygiene, Health, Safety, and Environmental management. We go above and beyond by assisting our clients in protecting their people, their neighbour communities, and their environment.

Our extensive experience in occupational hygiene and environmental monitoring has led us to become proud distributors of leading HS&E equipment manufacturers.

Our Vision

To be the Indian Ocean's leading consulting service provider in Occupational Hygiene, Health, Safety, and Environment.

We work for your satisfaction!

Our team proudly provides tailored client solutions whilst protecting people and the environment, minimising costs, satisfying legislative obligations and managing the expectations of government authorities and their communities.

Doing business with us is a guarantee of quality and success.

Our consultants offer a broad range of technical expertise that allows them to work with a diverse range of clients. They have successfully managed major projects in North America, Middle East, South Pacific, Sub-Saharan Africa, and in the Indian Ocean region.

Regardless the challenge our client is facing, we have a pool of experts specializing in various fields who can clearly identify the situation and apply innovative solutions.
